### **19. Copyright**

19.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the procuring entity by the supplier herein shall remain vested in the supplier, or, if they are furnished to the procuring entity directly or through the supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party. Future use of any drawings, documents or other materials, is subject to prior approval of the party having copyright ownership of the same.

### **20. Confidential Information**

20.1 The procuring entity and the supplier shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the supplier may furnish to its Subcontractor such documents, data, and other information it receives from the procuring entity to the extent required for the Subcontractor to perform its work under the Contract, in which event the supplier shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the supplier under GCC Clause 20.

20.2 The procuring entity shall not use such documents, data, and other information received from the supplier for any purposes unrelated to the contract. Similarly, the supplier shall not use such documents, data, and other information received from the procuring entity for any purpose other than the performance of the Contract.

20.3 The obligation of a party under GCC Sub-Clauses 20.1 and 20.2 above, however, shall not apply to information that:

- (a) the procuring entity or supplier need to share with the Government or other institutions participating in the financing of the Contract;

- (d) otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality.

20.4 The above provisions of GCC Clause 20 shall not in any way modify any undertaking of confidentiality given by either of the Parties hereto prior to the date of the Contract in respect of the supply or any part thereof.

## **21. Subcontracting**

During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 23.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC, and in any other instructions ordered by the procuring entity.

The supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the procuring entity or its designated representative to attend the test and/or inspection.
- 26.5 The procuring entity may require the supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the goods comply with the technical specification's codes and standards under the Contract, provided that the supplier's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the supplier's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.
- 26.6 The supplier shall provide the procuring entity with a report of the results of any such test and/or inspection.
- 26.7 The procuring entity may reject any goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The supplier shall either rectify or replace such rejected goods or parts thereof or make alterations necessary to meet the specifications at no cost to the procuring entity, and shall repeat the test and/or inspection, at no cost to the procuring entity, upon giving a notice pursuant to GCC Sub-Clause 26.4.
- 26.8 The supplier agrees that neither the execution of a test and/or inspection of the goods or any part thereof, nor the attendance by the procuring entity or its representative, nor the issue of any report pursuant to GCC Sub-Clause 26.6, shall release the

supplier from any warranties or other obligations under the Contract.

## **27. Liquidated Damages**

27.1 Except as provided under GCC Clause 32, if the supplier fails to deliver any or all of the goods by the Date(s) of delivery or perform the related services within the period specified in the Contract, the procuring entity may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the **SCC** of the delivered price of the delayed goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those **SCC**. Once the maximum is reached, the procuring entity may terminate the Contract pursuant to GCC Clause 35.

## **28. Warranty**

28.1 The supplier warrants that all the goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

28.2 Subject to GCC Sub-Clause 22.1(b), the supplier further warrants that the goods shall be free from defects arising from any act or omission of the supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the country of final destination.

28.3 Unless otherwise specified in the **SCC**, the warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the **SCC**, or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier.

28.4 The procuring entity shall give notice to the supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The procuring entity shall afford all reasonable opportunity for the supplier to inspect such defects.

28.5 Upon receipt of such notice, the supplier shall, within the period specified in the **SCC**, expeditiously repair or replace the defective goods or parts thereof, at no cost to the procuring entity.

28.6 If having been notified, the supplier fails to remedy the defect within the period specified in the **SCC**, the procuring entity may

proceed to take within a reasonable period such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the procuring entity may have against the supplier under the Contract.

**29. Patent  
Indemnity**

29.1 The supplier shall, subject to the procuring entity's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the procuring entity and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the procuring entity may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

- (a) the installation of the goods by the supplier or the use of the goods in Samoa; and
- (b) the sale in any country of the products produced by the goods.

Such indemnity shall not cover any use of the goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the goods or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the supplier, pursuant to the Contract.

29.2 If any proceedings are brought or any claim is made against the procuring entity arising out of the matters referred to in GCC Sub-Clause 29.1, the procuring entity shall promptly give the supplier a notice thereof, and the supplier may at its own expense and in the procuring entity's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim. The supplier shall not bind the procuring entity to any agreement without its written approval.

29.3 If the supplier fails to notify the procuring entity within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the procuring entity shall be free to conduct the same on its own behalf.

29.4 The procuring entity shall, at the supplier's request, afford all available assistance to the supplier in conducting such

proceedings or claim, and shall be reimbursed by the supplier for all reasonable expenses incurred in so doing.

29.5 The procuring entity shall indemnify and hold harmless the supplier and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the supplier may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the procuring entity.

**30. Limitation of Liability**

30.1 Except in cases of negligence or wilful misconduct:

- (a) the supplier shall not be liable to the procuring entity, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay liquidated damages to the procuring entity; and
- (b) the aggregate liability of the supplier to the procuring entity, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the supplier to indemnify the purchaser with respect to patent infringement.

**31. Change in Laws and Regulations**

31.1 Unless otherwise specified in the Contract, if after the date of 28 days prior to date of bid submission, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in Samoa (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the supplier has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already

been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.

- 32. Force Majeure**
- 32.1 The supplier shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 32.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the supplier. Such events may include, but not be limited to, acts of the procuring entity in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, freight embargoes, and any change in Government policy or new development involving the Government.
- 32.3 If a Force Majeure situation arises, the supplier shall promptly notify the procuring entity in writing of such condition and the cause thereof. Unless otherwise directed by the procuring entity in writing, the supplier shall continue to perform its obligations under the Contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- 33. Change Orders and Contract Amendments**
- 33.1 The procuring entity may at any time order the supplier through notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:
- (a) drawings, designs, or specifications, where goods to be furnished under the Contract are to be specifically manufactured for the procuring entity;
  - (b) the method of shipment or packing;
  - (c) the place of delivery; and
  - (d) the related services to be provided by the supplier.
- 33.2 If any such change causes an increase or decrease in the cost of, or the time required for, the supplier’s performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended by written variation agreed to between the Parties. Any claims by the supplier for adjustment under this Clause must be

asserted within twenty-eight (28) days from the date of the supplier's receipt of the procuring entity's change order.

33.3 Prices to be charged by the supplier for any related services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

33.4 Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the Parties.

#### **34. Extensions of Time**

34.1 If at any time during performance of the Contract, the supplier or its subcontractors should encounter conditions impeding timely delivery of the goods or completion of related services pursuant to GCC Clause 13, the supplier shall promptly notify the procuring entity in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the supplier's notice, the procuring entity shall evaluate the situation and may at its discretion extend the supplier's time for performance, in which case the extension shall be ratified by the parties by written amendment of the Contract.

34.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the supplier in the performance of its Delivery and Completion obligations shall render the supplier liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.

However, the supplier shall continue performance of the Contract to the extent not terminated.

### 35.2 Termination for Insolvency

- (a) The procuring entity may at any time terminate the Contract by giving notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. - (b) The goods that are complete and ready for shipment within twenty-eight (28) days after the supplier's receipt of notice of termination shall be accepted by the procuring entity at the Contract terms and prices. For the remaining goods, the procuring entity may elect:
