RE: SFESA Request for Addendum on submission date for the “Design & Supervision of new Fire Service Station, Faleolo”

Afioga e,

The Samoa Fire and Emergency Services Authority (SFESA) wish to request for your favourable understanding on an amendment to the date of the tender submission for the above project. Currently, the Tender is shown to be closed on the 14th of December 2023, however following the pre-bid meeting, SFESA has considered the advice from interested bidders that for them to provide quality submissions that they would require additional time to prepare their bids.

Considering the closeness to the Christmas break and taking account of advice from our Ministry of Finance partners, it was determined that the submission date and time be extended from 14th of December 2023 until the 8th of January 2024 @ 11.00am.

Would you please assist in making the adjustment on the MoF website that reflects this change. It is noted that SFESA staff have provided the updated documents to be included in information available for potential bidders.

For further information please do not hesitate to contact the undersigned on email Commissioner@sfesa.ws or secretary@sfesa.ws or by phone 20404 / 20405.

Ma le faaaloalo tele;

Matofai Vaisigano Mata'u Lotu Esau
Acting COMMISSIONER
