We unfortunately have no option but to close our project by 30 April 2024 therefore we would like to ensure all of the furnitures are supplied to the school before 30 April 2024. However, we have considered interested bidders' requests for more time to submit their tenders. Therefore we are only giving a 1 week extension. The Ministry reissues the following changes to Part 6 Specification of Items or Description of Goods Related Services as per **Attachment 1**. Alternatives products are acceptable but have to be similar to the requested specifications. For single and double desks required, please provide both single and double desks prices. All other instructions remain::

Also included in this Addendum are clarifications to bidder enquiries:
